

ACADEMIA 2022 FRANÇAIS (Grades 1 to 8) Sessions and Registration Form

We are excited to announce that we are offering an additional camp this summer - AcadeMIA. Acadecap will be offering Mathematics and French as a Second Language (FSL) each week to specific age groups, from Grade 1 through 8. This will give students the opportunity to participate in grade level instruction to support and enrich academic achievement. Campers will register for either Mathematics or FSL based on the weekly schedule. Campers registered in AcadeMIA will also participate in the sports programme.

Each week, the French as a Second Language (FSL) Camp will focus on subject specific learning outcomes from the DELF levels. In each session, campers will build vocabulary, practice spelling, learn new expressions and strengthen grammatical notions supporting the weekly focus.

Also this summer, AcadeCap will be offering an enriched summer programme. As we would like students to spend more time outside and being active, AcadeCap is developing age-specific, specialized instruction in athletics. Each week, campers of all ages will participate in a program to develop athletic skills in individual and team sports. This is in addition to their time spent in STEAM (Science Technology, Engineering, Art, Math), Coding, or AcadeMIA camps.

2022 SUMMER READING & WRITING PROGRAMME: Systematic Multisensory Intensive Literacy Education (SMILE)

For students with reading and writing difficulties, we offer SMILE, Orton Gillingham-based multisensory teaching sessions), in addition to the activities provided during our AcadeCamp, AcadeCoders or AcadeMIA sessions. The OG multisensory teaching sessions will be offered for 1 hour, 5 times a week (4 times a week during holiday weeks), and the participant must register for at least 4 weeks, or preferably all summer, in order for the programme to be effective. If a student has not been evaluated previously, pre- and post-testing will be provided. With the Orton Gillingham approach, a student learns using the visual, auditory, kinesthetic, and tactile senses simultaneously. The OG multisensory teaching sessions will take place within the 9:00 am – 4:00 pm camp day.
