

OSSD Credit Courses à la carte

Summer-2018

The Académie de la Capitale Difference

Take advantage of Académie de la Capitale’s expertise, approach and rigour to obtain the necessary credits towards your OSSD and most importantly to acquire the in-depth concepts, knowledge and skills to keep on learning and to succeed academically at the post-secondary level.

Due to our small daytime class sizes, our educators are experienced at one-on-one teaching and differentiated learning. They know how to ensure every student is challenged at his or her level, strengthens core concepts and masters course content.

For summer 2018, courses will be offered in an accelerated format, allowing students to complete a course in 1 month or 2 months. Students have the flexibility to choose their schedule of instruction within school operational hours of Monday – Friday (except holidays), between 9 am to 5 pm.

Semi-Private courses will only be offered if there is more than 1 student registered.

During registration, all students must provide a copy of their report card showing successful completion of required course prerequisites.
